Indulge in our Spanish Fiesta

at The Long Lunch

Auction Catalogue
Sunday 23 September 2018

FROM THE PRINCIPAL

The latest project in our Master Plan, **The Next Challenge: Building for Tomorrow**, our new Science Centre and associated upgrades have all the elements for success. This follows on from the completion of our first five Master Plan projects: expanding our Early Learners' Centre, increasing parking spaces and access to additional sporting facilities in Bell Yett Reserve, installing high speed network services to enhance online learning, building a new Middle School and opening a new Library. So, are you ready to take up this next challenge with me?

Julia Shea
Principal

WELCOME

Hola! Welcome to our second St Peter's Girls' Foundation Long Lunch, a Spanish Fiesta of wonderful food, refreshments and entertainment set in our beautiful School grounds.

Thanks to the generosity of our sponsors, suppliers and community members, 100% of proceeds from today's fundraiser will help fund our new Science Centre.

It has been an absolute pleasure to work with our amazing community members, staff and volunteers to make this day a reality.

Throughout this catalogue, you will find a fantastic range of auction items donated by individuals and businesses from our incredible community.

We urge you to mention St Peter's Girls' School when you use our supporters'

goods and services, and we encourage you to refer our sponsors to others.

This is such an exciting time for our School and events such as this give us all the opportunity to come together and play a key role in our Master Plan's next challenge - a new Science Centre.

We are very fortunate that all of the auction items on offer here today have been donated and all expenses for the event have been sponsored. This means all funds raised today (and money from the ticket sales) will go directly to our girls, which is a fantastic result.

I thank you all for your generosity, and for helping us to make our vision and Master Plan a reality.

Foundation Manager
