Vacation Care
September/October 2015
For Primary School aged boys and girls (from 5-12 years)
Vacation Care

The next instalment of our Vacation Care program is coming up in the school holidays. Children from the wider community are also warmly welcome to attend any of the activities.

Join us for a day at the movies, a trip to Farm Barn or create your own pizza masterpiece. We'll also have a disco, make our own chocolate factory and paint a spring-inspired canvas. Whatever the choice, children can enjoy a range of planned play and leisure experiences, practise social skills and solve problems in a safe and relaxed atmosphere.

There is a range of enriching activities on offer for girls and boys.

Families must pre-book the days they would like their child to attend Vacation Care. Your child can attend as little or as much as needed and days can be selected to suit your schedule and commitments. Children can attend for a full day or just half a day.
