ICT Levy

The ICT Levy funding focuses on providing long-term infrastructure that delivers reliable ICT solutions in a responsible environment. Furthermore, the ICT levy ensures that the School introduces new and innovative solutions to assist in the development of educational 'anywhere-anytime' learning platforms.

This is facilitated by a state-of-the-art secure wireless service, high speed fibre optic internet service, external Virtual Private Network (VPN) Access, interactive panels, Apple TVs and up-

to-date software/anti virus which are all secured in our onsite data centre and stored offsite to ensure constant availability. The School has high quality Konica multi-functional scanning and printing devices throughout the School.

Annual fees

It is the practice of the Board of Governors to determine the annual fees for each year in November of the prior year. However, the Board of Governors reserves the right to review the fees during the year and revise the fees if necessary.

Discounts and Scholarships

All discounts and scholarships, including the Family Discount, apply to tuition fees only. Where a student receives a discount and a scholarship, the scholarship is applied to the net balance after the application of the discount.

Family Discount

For families with more than one child attending the School at the same time, the discount is applied at the following rates:

- | | |
|-----------------------------|-----|
| > 2nd child | 10% |
| > 3rd child | 20% |
| > 4th & subsequent children | 30% |

Sibling discounts are also applicable to family members who attend St Peter's College, through the Anglican Single Sex Schools Discount.

Discount available for fees paid in advance

A discount of 2% is available on the annual tuition fees for the current year if the tuition fees are paid in full by the due date for the Semester 1 fees of 23 January 2017. Tuition fees for future years (for a maximum of two years) can be paid for the relevant levels at the current year's rate if paid in full before 30 June 2017. This discount only applies to fees discounted due to the Clergy, Family and Anglican School's Discounts. This discount does not apply to any scholarships.

Rendering of accounts

Accounts for the 2017 tuition fees and the 2017 ICT Levy will be issued in December 2016. Accounts can be paid for the full year (attracting a 2% discount on the tuition fees) or by semester in January (Terms 1 & 2) and June (Terms 3 & 4) or by 10 monthly instalments from January to October.

Accounts are also issued each term for non-compulsory activities such as

music instrument hire and participation in extra-curricular activities such as rowing, gymnastics and dance.

Accounts for the 2018 Fixed Charge will be issued in October 2017.

Divorce or separation

The School advises that if both parents have signed the enrolment confirmation form, a parent cannot remove himself or herself from the enrolment contract without the School's and the other parent's consent. This means that unless the School agrees, the legal liability for fees remains in accordance with the enrolment confirmation form.

Senior School fees

Where a student attends the School for Years 10 – 12 and completes Year 12, the full fees for each year will apply regardless of the number of subjects studied each year.

TAFE/VET courses

Where a student in Year 11 or Year 12 undertakes a TAFE or VET course costing more than \$1,000 per annum as part of her subject load, the School will reimburse up to a maximum of \$1,000. To obtain the reimbursement, the parent/guardian must submit evidence of payment for the course to the School's Finance Manager.

Notice required before leaving the School

A full term's notice must be given in writing advising that a student will be leaving the School, or not returning for the following year. If such notice is not given, one term's fees will be payable in lieu of notice. This also applies to new students who have accepted a place but withdraw before commencing.

Holding fee

There will be no remission of fees for a student's temporary absence from the School for any period of less than one term. For a temporary absence greater than one term, a holding fee will apply to preserve the student's position. The holding fee will equate to a quarter of the term's tuition fee per term of absence (at the rate applicable at the time of absence), payable in advance. Parents/Guardians seeking consideration for a student's absence longer than two terms must apply in writing to the Principal.
