

Vacation Care Program

Booking Form: October 2016

The sessions during the Vacation Care Program will be similar to a normal day in the ELC. Children will have the time and space to extend on their projects within smaller sized groups. We will be using clay, paints, dramatic play, puppetry, storytelling, dance and collage in the rooms. Outdoors we will be maintaining our vegetable garden and using produce for our cooking experiences. We will also spend time outdoors and have special picnic lunches.

Children will need to bring their own packed lunch, a hat, sunscreen and a water bottle each day. A late afternoon healthy snack and drink will be provided. Due to allergies, parents are asked to provide snacks and lunch that do not contain nuts.

Families must pre-book the days they would like their child to attend the centre. Your child can attend as little or as much as needed and days can be selected to suit your schedule. Retain this section for your records. Confirmation notices will not be sent unless a session is booked out.

Note: Regular ELC programs will commence from Monday 17 October 2016.
