How to use iCheck-In

Simply follow these three easy steps

Our new digital sign in system will commence in Week 3.

STEP ONE

Enter your mobile phone number.

If you use a landline number, your PIN will be set to 0000, and you will be required to set a new PIN on your first login.

STEP TWO

Your phone will immediately be sent a PIN from **iCheck-in**. Enter it here.

You will then be required to create a new PIN which you will use each time you sign your child in and out of the ELC.

STEP THREE

Simply click "Sign In" and click "Save".

The system will automatically log you out.

NOT BOOKED IN?

If you've logged in and see the message "No actions available", this means your child has not been booked in to the ELC today.
