

Helping your child become an effective "patterner" ...

Notice attributes

Describe attributes

Use attributes to sort pattern and more

IDEAS TO USE AT HOME ...

Play the noticing game!

When you are driving, walking, talking, sitting together...

- Pick an object, what are all the things we can notice about it
- Pick an attribute and notice it, for example let's notice all the things that are green OR fluffy OR warm OR ...

Sort Everything!

What do you have to sort at home that is a job for you but could be a learning opportunity for them?

- The washing as it goes into the machine, and the washing as it comes off the line

- The shopping when you get home
- Items in the shed, garden, cupboards

Pattern with everything!

- You could pattern with money, pattern with pegs on the washing line, pattern with socks in the drawer, fruit on a plate ..anywhere and everywhere!
