

**ST PETERS  
GIRLS**

# School Bus Service

## Getting your daughter to and from school safely and on time is an important part of daily life at St Peter's Girls.

Our School provides a personalised bus service to pick up and drop off your daughter at your door (when and where possible as determined by the Bus Manager) in the areas indicated on the map on the following page.

We offer a convenient, personalised bus service for our School families, catering for students who live in the north, south, east or west. We have five 24 seat buses which start at Tea Tree Gully, Golden Grove, West Lakes, Brighton and Mt Barker and two 11 seat vans servicing inner southern and inner northern suburbs.

To ensure we are providing a convenient service for our School families, the exact route that each bus takes is regularly reviewed based on the addresses of students.

Our buses and vans are operated by experienced and qualified drivers, who are part of our staff, chosen to meet the high standards set by the School.

All vehicles are equipped with mobile phones for last minute bookings or cancellations and emergency communication.

# Bus Routes
