10 December 2018

Monday 10 December 2018

Dear Parents/Guardians

I wish to advise the St Peter's Girls' School community that, as part of setting the 2019 school budget, the Board of Governors has reviewed school fees and approved the fee schedule for 2019.

The Board always seeks to ensure St Peter's Girls continues to provide the highest possible standard of education whilst minimising the impact on our community.

The increase in tuition fees for 2019 will be an average of approximately 3% across R to 12. The daily cost for ELC will be \$125.00. Please refer to the Fee Schedule 2019 for details.

2018 has been a truly remarkable year at Saints Girls. We officially opened our new Library and Middle School; we watched students thrive in our new Maker Space; and we rolled out our #EMPOWHER wellbeing program in the Middle and Senior Schools.

Our girls shone across the academic, cultural and sporting spectrum: our Year 9s were crowned State Champions of the da Vinci Decathlon; our Music students embraced our Artists in Residence program and our girls won the IGSSA Athletics Shield for the third year running.

In 2019, there will be even more to look forward to including:

- The celebration of the School's 125th anniversary
- The expansion of #EMPOWHER into the Junior School
- Our new Science Centre and associated upgrades to the Visual Arts and pool facilities

The fee increase for 2019 will enable our outstanding staff to continue to deliver initiatives and projects such as these which nurture, challenge and inspire our students.

There has never been a better time to be at Saints Girls and, on behalf of the Board of Governors, I thank you all for your ongoing support.

We wish you and your family a safe and happy Christmas and new year.

Yours sincerely

Jeremy Schultz  
Chair, Board of Governors
