Application process

The scholarship is awarded on the understanding that the recipient will complete her schooling at St Peter's Girls; however, the continuation of the scholarship is subject to the recipient making good academic progress, contributing to the life of the School, displaying conduct of a high standard and an annual review process involving the Principal and the Director of Music to examine the student's performance and involvement in the Music program at St Peter's Girls.

Only short-listed candidates will be contacted to arrange an audition and interview time. The audition and interview will take approximately 30 minutes. Auditions will be assessed by the Director of Music. Each candidate is required to present two contrasting pieces of work. It is therefore advisable that students select their audition pieces carefully and with the guidance of their teacher. Students must provide their own accompanist for the audition. Students may also be required to sight read or complete technical exercises. Following the audition, an interview may be conducted with the Principal or Head of Middle School. The outcome of the audition and interview is final.

The successful candidate must commit to:

- > study classroom Music through to Year 12
- > be an ambassador for Music, both within and outside the School
- > perform in the biennial school musical and at least once each calendar year in a School assembly
- > participate in two co-curricular musical groups
- > demonstrate outstanding commitment and application in all curriculum areas and abide by the ethos, requirements and expectations of the School

Unsuccessful candidates will be notified in writing. In the event that candidates successfully apply for more than one scholarship at St Peter's Girls, the School will only award one scholarship per student.
