Tuesday 10 December 2019

Dear Families

I wish to advise the St Peter's Girls' School community that, as part of setting the 2020 School budget, the Board of Governors has reviewed school fees and approved the fee schedule for 2020.

The Board always seeks to ensure St Peter's Girls continues to provide the highest possible standard of education whilst minimising the impact on our community.

It is very pleasing to be able to reflect that, in 2019, our 125th year has been an extraordinary chapter in the history of St Peter's Girls.

As well as celebrating our anniversary, the School:

- Expanded our signature #EMPOWHER wellbeing program into Junior School
- Opened our new Science Centre and associated Art facilities
- Reinforced vibrant tertiary and industry connections

Our girls achieved State and National honours across STEM, entrepreneurship, Geography, public speaking, debating, philosophy, ethics and much more. In Music, they claimed top prizes at Generations in Jazz and the ABODA Band and Orchestra Festival. In sport, Saints Girls won the IGSSA Swimming Shield for the third time in four years, and the Athletics Shield for an incredible fourth year running.

With our current Strategic Plan delivering excellence over the past three years, we look forward to launching the next iteration in the new year. The fee increase for 2020 will enable our outstanding staff to continue to deliver initiatives and projects which nurture, challenge and inspire our students.

On behalf of the Board of Governors, I thank you for your support as we lift Saints Girls to even greater heights.

Yours sincerely

Jeremy Schultz
Chair, Board of Governors
