# School Bus Service

**Getting your daughter to and from school safely and on time is an important part of daily life at St Peter's Girls**

Our School provides a personalised bus service to pick up and drop off your daughter at your door (when and where possible as determined by the Transport Manager) in the areas indicated on the map on the following page. If a door-to-door service is not possible for your home address, our bus staff will communicate with you to determine a suitable alternative drop-off/collection point.

We offer a convenient, personalised bus service for our School families, catering for students who live in the north, south, east or west. We have five 24-seat buses which start at Mawson Lakes, Golden Grove, West Lakes, Marion and Mt Barker and two 11-seat vans; one starting in Blackwood and the second starting in Glenelg.

To ensure we are providing a convenient service for our School families, the exact route that each bus takes is regularly reviewed based on the addresses of students.

Our buses and vans are operated by experienced and qualified drivers, who are part of our staff, chosen to meet the high standards set by the School. All vehicles are equipped with mobile phones for last minute bookings, cancellations and emergency communication.
