Bus Permissions 2024

Bus Permissions must be allocated to each student registered to use the School bus and need to be confirmed at the beginning of each year. However, these permissions can be updated/changed throughout the year using the Bus Permissions form.

Students in Reception to Year 4 will never be left at the drop-off location if the parent/guardian is not there to meet them. Parents/guardians of students in Years 5 - 12 are asked to complete the details below and return this form to the Transport Manager. If a form is not returned, the following supervision and mobile phone contact practice will be followed:

- Students in Years 5 – 9 will only be left at the drop-off location without parent/guardian supervision if parental approval has been given in writing, by completing of this form for ongoing arrangements or by email to the Transport Manager at bus@stpetersgirls.sa.edu.au for one off requirements.
- Students in Years 10 – 12 will be left at the drop-off location without parent/guardian supervision unless the parent advises otherwise in writing, by completing of this form for ongoing arrangements or by email to the Transport Manager at bus@stpetersgirls.sa.edu.au for one off requirements.
- Bus Drivers will contact parents/guardians in relation to bus matters such as delays to the pick-up/drop-off locations unless parental/guardian approval is given to contact the student in writing, by completing of this form for ongoing arrangements or by email to the Transport Manager at bus@stpetersgirls.sa.edu.au for one off requirements. This only applies to students in Years 10 – 12.

Note to parent/guardians: If you have students in multiple year levels and feel a different permission is appropriate in your case, please speak directly to the Transport Manager on 0427 010 992.
