- Changes to nominations can be made via Clipboard at any stage throughout the nomination window. After nominations close, no further changes will be made.

Can I select more than one activity for my daughter?

- Yes! You can select as many activities as you like provided they work in her schedule.

How are teams selected?

- Trials will take place in week 10 and 11 of Term 1. More information will be sent out about this once final numbers for each program are known.

What happens if my daughter can't make trials?

- Previous experience and coaches/teachers' knowledge may be taken into consideration.
- Team changes can still be made at the beginning of Term 2 during the first few weeks of trainings and matches.

When will I find out my daughter's team, training schedule and match fixtures for Winter Sport?

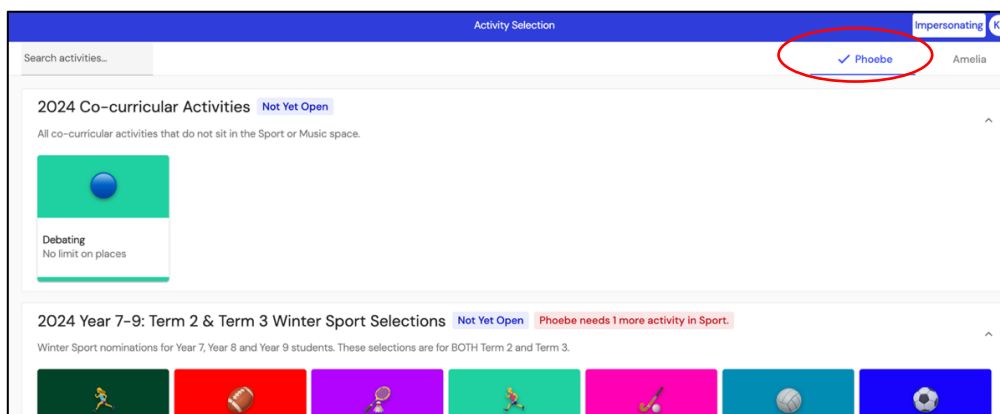

- Teams will be released by Wednesday 24 April; you will be notified via email and can then see where your daughter has been selected on Clipboard.

What happens if two activities clash? Can I still select them?
